Enable Success Through Innovative Base Support

Nellis AFB MILCON

- Nellis AFB awarded 3 MILCON projects included in the 2015 National Defense Authorization Act (NDAA)
 1. East Apron addition - \$31 Million
 2. F-35 LOLA Extension - \$34.5 Million
 3. Revet Fuel System – \$39.9 Million

Enable Success Through Innovative Base Support

Nellis AFB Charter school

- SB 200, May 2015—priority to Nellis families
- Registration is under way...K-5 in existing school AY16-17 during construction of new school
- New school to open Fall of 2018 with K-8 grades
- Great partnership with CCSD

Enable Success Through Innovative Base Support

Access to Mike O'Callaghan MC

- So Nv Regional Transportation Commission working to provide better access and transport

1. provide closer access to the MC from public transit routes

2. advertise RTC program to transport vets

Enable Success Through Innovative Base Support

Update - Nellis Solar Array II

- Partnership with NV Energy; 100 jobs to local community
- Supplies 100% Nellis AFB requirement during the day
- 43,200 modules (solar panels) will produce 15 MW power
- Largest solar complex in DoD

First panels, installed in mid-July

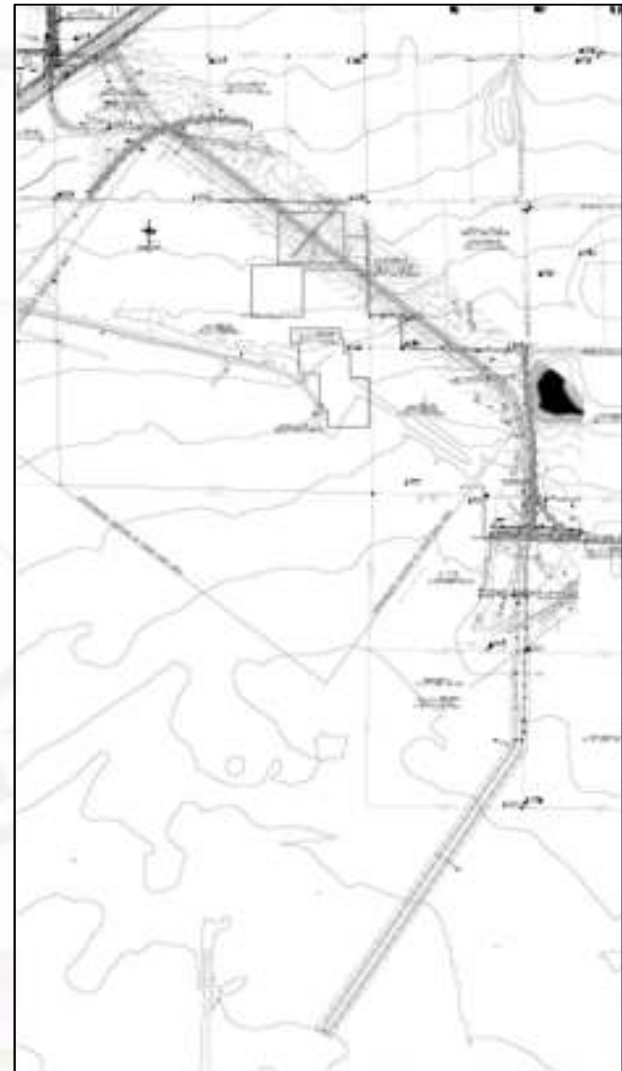

Sub-station connected to the solar array

Enable Success Through Innovative Base Support

Hollywood Storm Drain Project

- Nellis AFB working with City of North Las Vegas, Clark County and Clark County Regional Flood District to control flow onto base
- Channel with convey 3,000 cubic feet per second of storm water to the other side of the runways
- Channel will be 6 feet high and 27 feet wide
- Required to prevent future bird hazards
